

My Cosmic Address

From the biggest circle — the universe — all the way down to you

● Universe

The Universe

● Galaxy

The Milky Way

● Star system

The Solar System

● Planet

Earth

● Country

● State / Prefecture

● Town / City

● My name

For grown-ups: dotted lines show sample answers (fine to trace). Read it aloud from the outside in — “inside the universe, inside the Milky Way…” — to feel how each place sits inside the next. The free app “You Are Here” (kimikoko.jp) zooms through every step and makes a card too. No sign-up, no ads.
